PROFESSIONAL SUMMARY

PHP Backend Developer with 3+ years of experience in CodeIgniter, and Core PHP, Laravel, specializing in ERP, HRMS, multi-vendor eCommerce solutions, visa processing platforms, REST API integration, payment gateway integration, and scalable admin dashboard development.

TECHNICAL SKILLS

Backend : PHP, Laravel, CodeIgniter

Frontend : HTML5, CSS3, JavaScript, Bootstrap, jQuery

Database : MySQL

APIs : REST API, JSON, AJAX

Tools : Git, GitHub, Postman, VS Code, cPanel

Concepts : MVC Architecture, Authentication, CRUD, Payment Integration

PROFESSIONAL EXPERIENCE

Visacent : March 2023 – Jan 2025

Developed and maintained visa application platforms using Laravel, Core PHP, and MySQL for online visa processing. Worked on projects including **visa-to-travel.com**, **turkey-evisa.it.com**, **kenya-eta.info**, and **india-s-travel.com**. Integrated Razorpay and PayPal payment gateways, developed backend logic, authentication systems, admin dashboards, and optimized security and performance for high-traffic applications.

MLRS Business Process Solutions LLP : Jan 2025 – Present

Developed ERP and HRMS modules using PHP and CodeIgniter. Built multi-vendor eCommerce platforms with vendor dashboards and centralized admin panels. Integrated REST APIs, designed backend architecture and database schemas, implemented authentication workflows, and optimized application performance.

PROJECT HIGHLIGHTS

ERP Management System

A comprehensive business automation solution covering inventory management, sales, purchasing, customer management, reporting

HRMS System

Employee management, payroll, attendance, reporting, leave management

Multi-Vendor eCommerce Platform

Developed fully responsive web applications with dedicated multi-vendor dashboards, robust admin control panels, and intuitive user interfaces, featuring product management, order management, and stock management functionalities.

Visa Processing Platforms

Developed and maintained country-specific visa application platforms with dynamic forms, document upload, payment integration, and application tracking. Worked on platforms such as visa-to-travel.com, turkey-evisa.it.com, kenya-eta.info, and india-s-travel.com.

EDUCATION

Master of Computer Applications (MCA)

Mangalayatan University, Uttar Pradesh
Expected 2027

Bachelor of Computer Applications (BCA)

M.J.P. Rohilkhand University (MJPRU), Bareilly
Year of Completion: 2023

I hereby confirm that the information provided above is true and correct to the best of my knowledge and belief.
